PMUA UPDATE UPDATE

PLAINFIELD MUNICIPAL UTILITIES AUTHORITY

Celebrating over 15 Years of Service to Plainfield

POST-STORM SERVICE UPDATES

EXTENSIONS GRANTED FOR PMUA 4th QUARTER BILL PAYMENT:
Because of the hardships incurred due to the recent storm, the PMUA is extending the grace period for 4th quarter bill payments. Customer bills, which were originally due by 11/21/12 (including grace period) are now due by **11/30/12.**

RECYCLE COLLECTION TO START 3AM ON WEDNESDAY 11/7/12:
In anticipation of the Nor'easter storm forecasted for tomorrow Wednesday 11/7/2012, PMUA recycle collection will begin earlier at 3AM. Please have all co-mingled and paper recyclables out for pick-up.

RECYCLE REMINDER:
We encourage residents to please do your best to continue proper recycling practices during the storm recovery by separating your paper, cardboard and co-mingled materials from your garbage. If your PMUA blue recycle cart is overflowing, place excess cans & bottles in plastic bags, tie bags up and place the next to the recycle cart (clear plastic bags preferred). Until normal collections resume, PMUA will accept co-mingled items in plastic bags if your cart is filled to capacity. We appreciate your cooperation and your patience as we work to ensure that all waste is collected as quickly as possible.

PERC NOW OFFERS FREE LEAF DROP-OFF MONDAY-SATURDAY:
Due to the vast amount of leaves generated as a result of the hurricane, the Authority is now offering **Free Leaf Drop-Off at PERC Transfer Station Monday-Saturday during regular operational hours for Plainfield residents only.** This no-charge leaf drop-off program will continue through Saturday, December 1, 2012 at PERC Transfer Station, 95 Rock Avenue.

LOST OR DAMAGED RECEPTICALS:
If your PMUA black garbage or blue recycle cart has been lost or damaged as a result of Hurricane Sandy, please call PMUA at 908-226-2518 and ask for customer service. PMUA will assess the damage fix or replace containers as needed.
