Medical Taxi Service

Beginning August 14, 2008, the Tri-County Red Cross will provide free* Medical Taxi service to JFK Medical Center patients for hospital based services that are no longer available on the Muhlenberg Campus. This service will be provided to patients living in Muhlenberg Regional Medical Center's primary and secondary service area so they can access non-emergent services at JFK Medical Center. This transportation service will be available at no-cost to our patients and may be scheduled at the time appointments are made for services at JFK. The transportation is available Monday through Friday between the hours of 6 am to 5 pm and is provided door-to door. Patients in wheelchairs can be accommodated. Patients in need of this service should request it when they call to schedule an appointment at the hospital.

*fees for missed appointments may apply

Taxi Vouchers to and from Trinitas Hospital

Trinitas Hospital in Elizabeth has assumed responsibility Muhlenberg Regional Medical Center's inpatient mental health programs and acute care services to obstetrics patients of the Neighborhood Health Services Corporation's Plainfield area patients. Solaris Health System has engaged Taxi & Limo One to provide taxi vouchers for 24 hour taxi service to and from Trinitas Hospital for these patients. Vouchers are available at the Neighborhood Health Services Corporation – Plainfield, Trinitas Hospital, and the SED at the Muhlenberg Campus. Patients will require preapproval and an authorization code number from clinical staff at any of these locations prior to calling Taxi & Limo One for a taxi.
