Two (2) New Cases of COVID-19 in Plainfield

September 21, 2020

Dear Friends and Neighbors,

There are two (2) new COVID-19 cases to report today, bringing our total to two thousand, four hundred and thirty-three (2433) confirmed cases since the pandemic began. Since Saturday, September 19, an additional eleven (11) persons have been quarantined. **There are no new deaths to report today.** The total number of fatalities stands at one hundred and thirteen (113).

Autumn begins tomorrow bringing in cooler temperatures along with the cold and flu season. I want to remind you all to continue to wear your face masks and practice social distancing protocols during the upcoming months. Remember to stay home if you are sick, and if you do experience cold or flu symptoms, be sure to get tested for COVID-19. The more of us that are tested for the virus, the better we will be able to control it.

Stay safe and may God continue to bless each of you.

Creating One Plainfield, One Future

Sincerely,

Adrian O. Mapp, Mayor
