Governor Phil Murphy recently lowered the limits on indoor and outdoor gatherings due to rising COVID-19 cases across the state. The **indoor gathering limit is now 10 persons**, and **outdoor gatherings are now limited to 150 persons**. Please keep this in mind during the upcoming holidays.

Cases in our city are continuing to rise. I encourage you to get tested for COVID-19 if you are experiencing cold and flu symptoms that overlap with COVID-19 symptoms. Extreme caution will get us safely through the fall and winter season along with continuing to wear your face masks, limiting indoor gatherings and practicing social distancing while in public.

In partnership with Union County, the City of Plainfield will provide residents with free flu shots. The next date to get your flu shot is Friday, December 4, from 9:00 AM-2:00 PM at the Gerald B. Green Building, 200 West 2nd Street. Free COVID-19 testing at Kean University is now operating on an extended schedule to accommodate Union County residents. Testing is on Mondays, Wednesdays, and Fridays from 9:00 AM to 4:00 PM and the test will also provide results for Influenza A and B (flu). **Insurance is not required.**

Stay safe and may God continue to bless each of you.

Sincerely,

Adrian O. Mapp, Mayor
