### Seventeen (17) New Cases of COVID-19 in Plainfield

November 13, 2020

Dear Friends and Neighbors,

Since our last update on Thursday, November 12, there are seventeen (17) new COVID-19 cases to report. An additional twenty-five (25) persons have been quarantined. **There are no new deaths to report today.**

Between **March 16, 2020 to September 30, 2020** there were two thousand, four hundred and sixty-five (2465) positive cases. **Since October 1, 2020**, there have been four hundred and forty-six (446) positive COVID-19 cases, one thousand three hundred and seventy-one (1371) persons placed in quarantine, and four (4) COVID-19 related fatalities.

*Total overall number of positive COVID-19 cases since March 16, 2020: **Two thousand, nine hundred and eleven (2911)***

*Total overall number of persons placed in quarantine since March 16, 2020: **Six Thousand, nine hundred and ninety-four (6994)***

*Total overall number of fatalities since March 16, 2020: **One hundred and seventeen (117)***

Cases in our city are continuing to rise. I encourage you to get tested for COVID-19 if you are experiencing cold and flu symptoms that overlap with COVID-19 symptoms. Extreme caution will get us safely through the fall and winter season along with continuing to wear your face masks, limiting indoor gatherings and practicing social distancing while in public.

In partnership with Union County, the City of Plainfield will provide residents with free flu shots. The next date to get your flu shot is Friday, November 20 from 9:00 AM-2:00 PM at the Gerald B. Green Building, 200 West 2nd Street. Free COVID-19 testing at Kean University is now operating on an extended schedule to accommodate Union County residents. Testing is on Mondays, Wednesdays, and Fridays from 9:00 AM to 4:00 PM and the test will also provide results for Influenza A and B (flu). **Insurance is not required.**

Stay safe and may God continue to bless each of you.

Sincerely,

Adrian O. Mapp, Mayor
