Plainfield Residents

Please be aware there is a tropical storm warning in effect for our area until Wednesday, August 5, 2020 at 12:00AM.

There is the potential for flash flooding and the Office of Emergency Management is urging all residents to shelter in place. If you live in a known flood zone kindly move your vehicle(s) to higher ground and if possible **seek shelter outside of the flood area.**

Make sure you have food supplies along with bottled water, batteries and flashlights for 2-3 days. Additionally, remember to charge cell phones.

****Call 911 for all emergencies, stay tuned for more updates. Be safe!**
