In an ongoing effort aimed at reducing the public's risk of exposure to COVID-19, the Plainfield Police Department will be temporarily accepting police reports by phone.

Anyone wishing to file a non-emergent police report is asked to contact the Plainfield Police Department at **(908) 753-3112** or **(908)753-3113**.

A police dispatcher will document your information and you will then be transferred to a police officer for reporting purposes. If the determination is made by the Police Department that a police response is warranted based on the information provided, the police will respond to your location.

As always, in the event of an emergency please dial 9-1-1. All calls, whether for non-emergent matters or for emergency assistance, will be handled with our expected brand of professionalism.

We want to assure our community that these are only temporary measures of prevention aimed at public safety, police safety and staff safety.

Thank you for your understanding at this time.

Sincerely,
Lisa Burgess
Police Director
