

For Bidders of
Network Cabling

ADDENDUM #1

In the original RFP, it was decided by the DLGS that this did not qualify for Competitive Contracting; therefore it was amended to a Bid.

ADDENDUM #2

Bid DOCUMENT CHECKLIST in the specs needs to be amended to include EXHIBIT B of the Mandatory Affirmative Action Form. Please take note of the Prevailing Wage aspect of this bid. Also, make sure to add these to the Addendum Receipt Form.

ADDENDUM #3

The original bid is being amended to state:

- 1.) There is not a need for bidder to be local.
- 2.) Subcontractors are allowed for this bid. Keep in mind; they need to be listed with your proposed bid.

This will be emailed to each of the responders.

Thank you.
