PLAINFIELD SENIOR CITIZEN CENTER UNVEILS NEW BUS WHICH WAS PURCHASED UNDER NJ TRANSIT'S FEDERAL TRANSIT ADMINISTRATION SECTION 5310 GRANT

Plainfield, New Jersey (JANUARY 30, 2012) — Plainfield Citizen Center was able to unveil the brand new extended minibus. During the FY 2008, the center was one of many municipalities that applied for the NJ Transit Federal Transit Administration (FTA) Section 5310 grant program. The grant allows for municipalities like Plainfield to be able to purchase critical transportation assistance for senior citizens and persons with disabilities.

“During these difficult financial times that municipalities all over the country are currently experiencing, it is such a huge help to be able to be awarded grants” said Ms. Sharron Mitchell-Brown, Plainfield Senior Citizen Director. “Our seniors were just overjoyed when they saw their new bus pull up to the center.”

On hand to present the new bus to the Plainfield Senior Citizens was City of Plainfield, Mayor Sharon Robinson-Briggs, Mr. Al Restaino, Director of Administration and Finance, Health and Social Services, Mr. Chris Payne, Director Information Technology, Media & Communications, Ms. Sharron Mitchell-Brown, Plainfield Senior Citizen Director, Ms. Suzanne Koonce, Plainfield Senior Citizen Membership President and several Plainfield Senior Citizens.
