Due to the success of the program, the recent storms and  
the positive response from our residents;  
The Brush and Yard Waste Drop-off Program  
has been extended through  
**September 7, 2012**

- Residents may bring their Brush and Yard Waste to the City Yard, located at 745 South Ave, on Mondays through Fridays; 8:00am – 2:30pm
- The program has been extended through September 7, 2012
- We are requesting that the brush be tied-up and the waste bagged (it is optional)
- This is a free disposal service to residents and local business owners (I.D. Required)
- The City Yard and Inspections Divisions will continue to monitor our streets for compliance and cleanliness

The primary objective of the program is to remove waste and debris off our streets and clean our streets and neighborhoods. Additionally, it is another resource to our residents who cannot go to the PMUA for this service.
