House party raises funds for Plainfield Area Humane Society

Plainfield, NJ...on Saturday July 21, 2012, Mitch and Maggie Carpen of Denmark Rd. hosted a party fund raiser at their home raising over \$1,700.00 for the Plainfield Area Humane Society. In addition to the money, party attendees donated a variety of items to help feed and care for the animals located at the 75 Rock Ave. shelter in Plainfield.

The Plainfield Area Humane Society (PAHS) is a private 501(c)3 non-profit organization, governed by a Board of Trustees. They have been in continuous operation since 1933. Their income comes from donations, animal control service contracts, adoption fees, fund raisers, bequests, grants and corporate gifts.

The Carpens' adopted their cat Sugar from the shelter two years ago. "We have always wanted to do something special for PAHS especially since we have been given so much love having Sugar in our lives," notes Mr. and Mrs. Carpen.

In addition to caring for and rehabilitating stray, abandoned and unwanted animals, PAHS provides programs on pet care and responsible ownership for scout, school, church, business and library groups by appointment and at no charge. These programs cover the social, health and humane aspects of living with domestic and wild animals in our urban and suburban communities.
