## From the Mayor's Office

### Forty Four (44) Confirmed Cases of the Coronavirus in Plainfield – Seventy Two (72) Quarantined

March 28, 2020

Dear Friends and Neighbors,

As of March 28, Plainfield has forty-four (44) confirmed cases of COVID-19, and there are seventy-two (72) people quarantined. The patients range in age from sixteen (16) to ninety-six (96).

Two City of Plainfield employees have tested positive. We have sanitized City Hall and are observing strict hygiene protocol throughout our Municipal buildings. We are now operating on a very modified schedule while doing all we can to continue to provide our residents with vital services.

I thank all residents who are being compliant with the mandate to stay home and off the streets and for maintaining a safe social distance when outdoors. I encourage everyone to do everything possible to help control and contain the spread of the virus.

Please stay positive, stay healthy, wave to your neighbor from a distance, keep the community spirit strong, and together we will beat COVID-19.

Creating One Plainfield, One Future

Sincerely,

Adrian O. Mapp, Mayor
