Dear Friends and Neighbors,

As of Saturday April 11, 2020, the number of positive COVID-19 cases in Plainfield now stands at Four Hundred and Seventy-Two (472). There are an additional Five Hundred and Eighty-Six (586) individuals quarantined as a result of exposure to the virus. Those infected range in age from twenty-four (24) days old to ninety-six (96) years old. Sadly there has been another fatality, a male thirty-seven(37) years old. Total number of deaths now stands at thirteen (13).

Our hearts are heavy as we go through this Easter weekend. We give thanks for the blessings we have while mourning for the lives lost, and standing in solidarity with the families who are grieving.

Please join me for my weekly live chat and Q&A on Wednesday, April 15 at 6 PM. I'll be joined by members of my cabinet, PMUA officials, and others. We will share the latest updates on the COVID-19 virus and hear your concerns. Tune in on our Facebook page or Youtube Channel at [@cityofplainfieldnj](https://www.facebook.com/cityofplainfieldnj) and [Plainfield News Channel](https://www.youtube.com/channel/UC...).

Please share with your neighbors, family and friends so everyone can stay updated.

Please enjoy your Easter weekend and stay safe. May God continue to bless you.
