Since yesterday, August 26, nine (9) additional persons have been quarantined; Four thousand, eight hundred and thirty-eight (4838) individuals are out of quarantine. There are no new deaths to report today. The total number of fatalities stands at one hundred and thirteen (113).

Today's free COVID-19 testing for parents, students, teachers, administrators and staff of the Plainfield School District has been cancelled for the rest of the day due to an impending thunderstorm.
