Two (2) New Confirmed Cases of COVID-19 in Plainfield

September 3, 2020

Dear Friends and Neighbors,

There are two (2) new COVID-19 cases to report today, bringing our total to two thousand, four hundred and six (2406) confirmed cases since the pandemic began. There are an additional twenty-one (21) persons placed in quarantine. There are no new deaths to report today. The total number of fatalities stands at one hundred and thirteen (113).

The spread of the virus in our city has slowed down significantly, and I believe it is due to your cooperation in following the recommended guidelines. As we celebrate the Labor Day holiday let us continue to be mindful of the social distancing protocols and wear our face masks. The spread of the virus may have slowed but it hasn't been defeated.

The Metropolitan SDA will also offer FREE COVID-19 testing on September 14th & 15th from 12pm to 7pm. [Click here](#) to register.

For more COVID-19 information, please view our most recent [COVID-19 Resource Newsletter here](#).

Stay safe and may God continue to bless each of you.

Creating One Plainfield, One Future

Sincerely,

Adrian O. Mapp, Mayor
