

Justice Involved Services

Justice Involved Services provides case management services to adult residents of Union County who are currently incarcerated or have been recently released from jail/prison. These services are offered to individuals that are diagnosed with a mental illness and/or a co-occurring disorder. Services include but not limited to:

- Referral and linkage to mental health programs, co-occurring substance abuse treatment, and public entitlements.
- Linkage to career development services
- Assistance with housing placement as needed
- Assistance with developing recovery goals
- Collaboration between Trinitas, Bridgeway, Union County Prosecutors and other involved mental health and community service providers to prevent re-incarceration.
