APPLICATION FOR PERMIT

The Uniform Fire Code states:

"Permits shall be required, and obtained from the local enforcing agency for the activities specified in this section, except where they are an integral part of a process or activity by reason of which a use is required to be registered as a life hazard use. Permits shall at all times be kept in the premises designated therein and shall at all times be subject to inspection by the fire official. N.J.A.C. 5:70-2.7(a)

NOTE: Each individual act requires a separate permit. There are five types of permits. You should consult your local Fire Official for the number and types of permits required and for information on fees.
