Dear Ms. Miller:

I reviewed the plans for 248-250 Leland Avenue, Block 409, Lot 7, (Application No. ZBA-2019-24). Since this was already a two-family house and all the owner is doing are some upgrades, the PMUA has no problems with this development. Also, there is no sanitary sewer connection fee or application fee associated with this project.

Yours truly,
