Mika,

I took a quick look at these, and there are no engineering issues from what is being proposed. We will not do a review letter.

Rosalind,

Have you distributed these plans?

Drew,

I am not sure why you have not received these plans. I have asked Rosalind. It is a single family that is built, I do not see any Engineering issues, however, if you can glance at it and confirm the same that would be great. I am attaching the pdf plan for you.

Thank you.

Sincerely,

Mika

Subject: Teng Planning Review #1

Good Afternoon,

Attached is Planning Review #1 for Teng.

The application did not have an email for the applicant or any of his professionals, so I placed a copy in the mail to them.

Rosalind – if you have their email address could you please forward to them and copy me?
