

The objective of the Division of Inspections is to ensure the health, safety and wellbeing of all the residents of the City of Plainfield through the enforcement of the Property Maintenance and Zoning ordinances in addition to the State Uniform Construction Code

The Inspections Department performs daily patrols of the City to monitor residential and commercial properties for code violations such as; litter, tall grass, overgrown vegetation, unregistered vehicles and poorly maintained structures including abandoned properties. Construction work being done without required permits is also monitored.

The Inspections Department also administers a comprehensive program for the licensing of rental properties in addition to the transfer of property sales. Our rigorous Property Maintenance Code helps uphold community standards which serves to enhance property values while providing safe and sanitary living conditions making the City of Plainfield a desirable place to live!
