

PUBLIC INFORMATION CENTER NOTICE

Intersections along East and West 7th Street (CR 601) and the Intersection of East Front Street (CR 620) and Leland Avenue City of Plainfield, Union County

Union County, together with the North Jersey Transportation Planning Authority, will be hosting a Public Information Center meeting to inform local residents, officials and businesses of the intersection safety improvement project for four intersections along East and West 7th Street and the intersection of East Front Street and Leland Avenue in the City of Plainfield. The project is receiving funds through the Local Safety Program which is a federally-funded program established by the North Jersey Transportation Planning Authority (NJTPA), in conjunction with the New Jersey Department of Transportation (NJDOT), using Federal Highway Administration's Highway Safety Improvements Program funds, with a purpose of advancing safety improvements on county and local roadways within its region.

The purpose of this meeting is to inform the public and solicit input and comments on the proposed improvements. This meeting is open to all members of the public. County engineering staff, a NJTPA representative and the consulting design engineer will be available to answer questions.
